### DISINFECT YOUR RESTAURANT OR SALON TO PREVENT THE SPREAD OF COVID-19

- ✔ SARS-COV-2 (CORONAVIRUS)    ✔ H1N1    ✔ NOROVIRUS
- ✔ INFLUENZA    ✔ FLU    ✔ AND MORE.

- ✔ **Hospital-Grade, EPA Approved Disinfectants**  
Our franchisees use hospital-grade cleaning products that neutralize and destroy viruses and germs.
- ✔ **Disinfectant Spray Process Tailored For Your Workspace**  
Utilizing electrostatic, pump, battery or manual spray processes based on your workspace needs.
- ✔ **Compliance with CDC Guidelines**  
As experts in the science and skill of disinfecting, our franchisees comply with all CDC guidelines including the use of personal protective equipment as required.
- ✔ **A Focus on High-Touch Areas**  
High-touch areas of your office such as light switches, phones, keyboards, handrails, door handles, and bathroom surfaces require special attention to curtail the spread of germs and viruses.

### WE ALSO OFFER RESIDENTIAL DISINFECTION SERVICES
